Course Content and Structure

1. Entry Level:- A.S.D.A.N (Award Scheme Development and Accreditation Network)

Towards Independence: - this aims to present a framework of activities through which personal, social and independent skills can be developed and accredited. Modules include Independent Living, I.C.T., Literacy, Numeracy, Photography, recognising everyday signs.

Workright: - this aims to provide a framework and documentation for candidates of all abilities for developing, assessing and accrediting basic employability skills.

2. Coleg Ceredigion 14 - 19 Partnership Provision

Pupils participate in an award bearing course one day per week in the following vocational areas:

- Catering/Leatherwork
- Childcare
- Construction
- Car Mechanics
- Furniture Restoration
- Art and Fashion

3. A variety of work experience placements on one or two days per week

Transport is arranged for pupils to attend work experience placements and college.

4. Young Enterprise Scheme: -

The Young Enterprise in Business Team Programme enables pupils to gain practical experience of work and business through running their own company with the support of a teacher/tutor and volunteers from the business community.

5. M.E.N.C.A.P. Cymru

Pupils participate in the 'Partners in Politics' initiative which gives them a forum for self advocacy.

6. Cymdeithas Aberaeron Community

Working with the Community.

7. Non examination school based curriculum

Pupils participate in projects which enhance their social communication skills.
