Masks for your child

Drwy Cyngor Sir Ceredigion, mae Llywodraeth Cymru wedi ariannu a darparu pob plentyn ysgol uwchradd gyda dau fasg aildefnyddiadwy.

Dylai'r masg gael ei wisgo i helpu diogelu eraill, yn ogystal a mesurau eraill megis cadw pellter cymdeithasol a golchi dwylo yn rheolaidd.

Yn yr ysgol, dylai'r masg gael ei wisgo pan fod eich plentyn tu allan i'w grŵp cyswllt a lle bod cynnal pellter cymdeithasol yn heriol.

Through Ceredigion County Council, Welsh Government have funded and provided each secondary school child with two reusable masks.

The mask should be worn to help protect others, alongside other measures such as social distancing and washing hands regularly.

In school, the mask should be worn when your child is outside of their contact group and where it is challenging to maintain social distancing.
