Here are Fflur McConnell and Celt Dafydd as part of the Philomusica orchestra in last night's performance of "Aber yr Aberoedd", a new libretto written by poet Mererid Hopwood to accompany a brand new concerto by Claire Victoria Roberts. Mae Estyn wedi cyhoeddi eu adroddiad yn dilyn arolygiad o'r Ysgol ym mis Mawrth, 2023. Gweler y dolenni isod er mwyn gweld yr adroddiad. Gallwch gael copi papur os ydych yn dymuno trwy gysylltu gyda'r swyddfa. Mae'n braf iawn gallu rhannu'r adroddiad yma ac mae'r negeseuon cadarnhaol iawn yn adlewyrchu gwaith caled staff, ymrwymiad disgyblion i'w gwaith, cefnogaeth rhieni a gofalwyr, a chefnogaeth y corff llywodraethol a ffrindiau eraill i'r ysgol. Fe welwch mai dwy argymhelliad sydd gan yr Ysgol ac rydym eisoes wedi dechrau ar y gwaith o gynllunio ymateb a chynllun gweithredu i fynd i'r afael gyda hyn er mwyn parhau i wella'r ysgol. Yn dilyn yr arolwg, mae Estyn wedi gofyn am ddwy astudiaeth achos o'r Ysgol (nid yw'n bosib iddynt am ofyn am fwy na 2) ac mi fydd rhain yn ymddangos ar wefan Estyn cyn hir.

Gyda diolch am eich cefnogaeth i waith yr Ysgol a'r holl ddisgyblion arbennig sy'n mynychu.

Adroddiad Cymraeg

Estyn has published its report following an inspection of the School in March 2023. Please use the links below to view the report. You can have a paper copy if you wish by contacting the office. It is good to be able to share this report and the very positive messages reflect the hard work of staff, pupils' commitment to their work and the support of the governing body, parents and guardians, and other friends of the school. You will see that the School has two recommendations and we have already completed an action plan to address these and ensure that we continue to make improvements at the school. Following the inspection, Estyn has requested two case studies from the School (2 is the most that can be requested) and these will appear on the Estyn website shortly.

With thanks for your continued support for the school's work and for each and all of the fantastic pupils that attend
